

2011-2012 SPORTS BOOSTER CLUB CORPORATE SPONSORSHIP

The Athletic Booster Club of Lincoln Charter School would like to thank you for your consideration of becoming corporate sponsorship with us.

The L.C.S. Booster Club believes that athletics provides hands-on, practical application for a lot of life lessons! Hard work, self-sacrifice, and perseverance are all skills that can be developed through athletics. Those skills not only make good athletes, but also develop good employees, citizens, and community leaders.

Your partnership with us will send a clear message to all that you are interested in helping develop our children in these areas. Together we can provide our youth with opportunities to experience practical application of these important lessons.

There are some benefits to your partnering with us in this endeavor (please see attached). Yet, we hope the greatest benefit will be shared by our community years from now as we groom our future workforce and future leaders.

As members, we pledge our patronization of your business, and will look for ways to benefit you as our partner, understanding that you took the first step in helping our children.

If you choose to partner with us, simply complete the attached application and send it with your **tax deductible** donation to the address shown.

Again, we appreciate your considering this corporate sponsorship as an opportunity to join with us in support of our youth and the future of our community.

Respectfully,

L.C.S. Athletic Booster Club
