## BE A HERO, VOLUNTEER!

The National Day of Service and Remembrance will take place this Sunday. All this week students are learning about heroes, good deeds and random acts of kindness. The media is covered with 9/11 anniversary information. LCS is focusing on remembering those that lost their lives, honoring those that protect us every-day and encouraging citizens to make our community strong.

The event will take place in the parking lot of Sally's YMCA on Forney Creek Parkway in Denver. The parking lot will be closed, parking will be in the hospital's parking lot and buses will shuttle event participants to Sally's. Event participants will be able to talk with firefighters, sheriff deputies, rescue workers and check out rescue vehicles. The Community Blood Center will be hosting a blood drive. Rufus from the Bobcats will be present to sign autographs. Local non-profit agencies will display their volunteer opportunities and needs. Food and entertainment will be available for everyone's entertainment. Browse the art walk and check out your student's art. At dusk join the remembrance walk lit by nearly 3000 luminaries.

Students participating in the event will have the opportunity to earn Learn.Serve.Engage. hours as they learn about volunteer opportunities in the community.

## ELEMENTARY EXCITEMENT

We would love to welcome Grandparents of our Kindergarten students for Tea at 1pm on Friday, September 9, 2011.

## MIDDLE SCHOOL MADNESS

Attention Middle School Parents

The \$60 deposit to hold a spot for Space Camp is due by September 12th.

Our PTO has been gracious enough to give us an opportunity to help raise funds for the spring field trip to Space Camp in Huntsville, Alabama.! They are offering us a food booth at the Lincoln County Apple Festival. We sell can drinks and pizza from Dominos. They made \$800-900 last year after splitting profits with Dominos. This would be a big undertaking and we would need a community of parents to set up and schedule hours. We don't want any student not to go because of finances so if you would like to take advantage of this opportunity, contact Mrs. Thornburg or Caroline Frady as soon as possible.

## COUNSELOR'S CORNER

Many wonderful families have donated uniforms to the school. Please contact Mrs. Arrowood [leeann.arrowood@lincolncharter.org](mailto:leeann.arrowood@lincolncharter.org) if you need assistance.

Thank you to the families who have donated time to help with the playground, opening car doors in the car rider line, and facilitating Book Fair. We could not have done it without your help. It is amazing to see the team effort, which exists on a daily basis to support the students and staff at Lincoln Charter School. What a wonderful place to learn!

On Wednesday, October 12th, LCS will offer the Preliminary Scholastic Assessment test (PSAT). All college bound juniors should plan on taking the PSAT!! [Click here](#) to learn more about the PSAT and how to register.

Do you have questions about financing your child's college education? All LCS parents are invited to attend Financial Aid Night on November 14th!
