

# TechnoBit and TechnoByte's Home Page

Hi! I am TechnoBit and this is  
my friend TechnoByte.

Thanks for finding us!

We were surfing the Internet looking for cool places to play. We were having so much fun clicking around, that we became lost in Cyberspace.

While we were waiting for you to find us, we found many great places on the Internet. We want to share these websites with you! On our home page you will find links to cool sites for kids.

Have fun and be safe when you are on the Internet! :-)
