

## Lincoln Charter School Parent Teacher Organization (LCSE-PTO)

Welcome Back!

Thank you for allowing me another year as your PTO President. Last year was very successful and I am looking forward to another wonderfully challenging and successful year. Also, please welcome back your PTO Board and Committee Chairs, both new and experienced. If you see a PTO Board member or Chair, please let them know how much they are appreciated. Your support is so important. This Board is committed to serving you, your children and our school. They are all great women who put enormous amounts of time into our school.

I hope that you took time to fill out our **Summer PTO Survey**. We are using this tool to help us improve Track Attack, membership and the programs that we support. We want this to be YOUR PTO that serves YOUR school. We will use this information to continue to carry out our mission: Use our resources to continue to build a positive learning environment and connection between school and home.

Please check out our new **membership incentives**. Each PTO membership is important and you are invited to join us. Membership identifies your family as having a common vision by supporting your children's education and our school. This year, in response to feedback, we have added incentives to join. Please join generously. Your membership donations **GO STRAIGHT TO YOUR CLASSROOMS by quickly reimbursing our teachers for classroom supplies**.

Our resources come from three areas – membership, Eagles Fund Factory (passive fund raisers), and our **one** annual fundraiser. **We limit fundraising to once annually** and focus our energy for the remaining year on realizing our mission. That one event – Track Attack – will be **October 7th**. Most of our budget comes from Track Attack, and your participation is vital to achieving our goals.

A Track Attack alert now & packet will be sent to you the first week in September. The packet includes everything you need to know, but if you have additional questions, please email Kim Kitsinian [trackattack@lincolncharter.org](mailto:trackattack@lincolncharter.org)

Why should you volunteer and participate? **Numerous studies show that parental involvement in our schools has a positive effect on your own child's grades and schooling experience**. Need another reason to volunteer? **Volunteering sends the message to your kids that school is important**. Our school administration and staff are a dedicated and energetic team. Now is our opportunity to support them and our children. Your volunteer time allows us to hold events and show your support of your children and their teachers. If you would like to be on our Volunteer List, please e-mail Michele Wessel [ptovolunteer@lincolncharter.org](mailto:ptovolunteer@lincolncharter.org)

Please take time to look through our PTO resources available on the LCS PTO website and email to discover the many ways you can be involved and make a positive impact.
