Lincoln Charter School Volunteer Opportunities

Hospitality Committee

Do you like to cook or do you prefer to purchase delicious goodies? The hospitality committee provides breakfast to our teachers every Wednesday. We ask a volunteer to provide 1 breakfast a semester. You may drop the breakfast off that morning as you take the kids to school and pick your dishes up at your convenience. We also have 3 Teacher luncheons this year. We ask for volunteer to sign up to provide certain items for these lunches. This is a great committee to serve on if you have small children at home or work outside of the home. This is our way of reminding our staff and teachers how much we appreciate them for giving so much to our children.

Beautification Committee

We are always in need of parents who enjoy working outside to keep our campuses looking great! If you enjoy working outside, this is the spot for you. If you have landscaping equipment, tools or a lot of energy, then this is the committee for you! We love to plant flowers and work to keep our butterfly garden in shape. And there is always lots of work to do at our new MS/HS campus.

Volunteer Committee

This committee serves to organize all the volunteers and coordinate efforts when a specific need arises that we need help with. This includes all volunteers for each committee and room moms.

*Remember: Keep track of your volunteer hours and log them into the Volunteer Computer at the schools. We will draw a volunteer to receive a gift card each quarter!
