

Lincoln Charter School Before and After School Care

Overview

Before and After School Care is a service provided for families to accommodate parent work schedules when it is necessary to drop students at school before 7:40 a.m. or to pick-up students after 3:20 p.m. The program is designed to provide a safe, supervised, structured environment for students in grades Kindergarten through 8th. The program is supervised by qualified school employees whose backgrounds and references have been thoroughly checked.

At the Denver Campus, the program is located at the elementary campus and provides After School Care **only for students in grades K-8**. Before and After School Care is available at the Lincolnton Campus.

At both campuses, the After School program will include a snack, quiet homework time, and some physical activity/socialization time.

Hours and Days of Operation

Before School Care at the Lincolnton Campus begins each day at 6:40 a.m. and ends at 7:40 a.m. when students report to morning assembly. In cases of inclement weather delayed school openings, Before School Care will not be provided.

After School Care at both campuses begins at 3:00 p.m. and ends at 6:00 p.m. On days when inclement weather/utility issues require an early dismissal, After School Care will **not** operate. On days when an 11:30 a.m. dismissal is scheduled prior to a holiday or EOG early dismissal, After School Care will **not** operate.

BASC programs operate only on regular school days when school is open for students and teachers.
