Voting Method

Board members will not be represented by proxy at any Board meeting at any time. All Board members present at meetings will be authorized to speak on issues, offer and second motions and vote.

All voting will be by voice vote except when the vote is not unanimous; then the vote will be by a show of hands.

Any member of the Board may abstain from voting. If a member announces a conflict of interest in regard to the issue, he/she may leave the meeting until voting on the issue is concluded. Under this condition, the member who abstains from the voting will not be counted as having voted.
