

# LINCOLN CHARTER NEST FUND

/nest/ noun

a structure or place made or chosen by a bird for laying eggs and sheltering its young.

*The Foundation for Education, Inc. is a non-profit corporation which was created in conjunction with the school's initial charter, it exists to protect the long-term viability of Lincoln Charter. The foundation owns the real estate and buildings at both the Denver and Lincolnton Campuses and leases the facilities to LCS. The governing Board of the Foundation consists of the executive officers of the Lincoln Charter School Board. All donations to the Foundation are tax-deductible according to current IRS policy.*

## DONATIONS TO THE FOUNDATION SUPPORT

- ✦ Current facilities and ground improvements
- ✦ Future facilities and grounds needs
- ✦ Student Life/program support

## CAN YOU MAKE A DIFFERENCE

YES! When it comes to annual fund giving, commitment is more important than the actual amount. Whether you give monthly, annually, small or large, the more people in the community that make a commitment the stronger the fund will be.

September 7, 2018

Commitments are to be completed online through My Payments Plus.

Declaration of full commitments are due by September 7th, but payments can be spread out through the school year.

## GOAL

The goal for the 2018-2019 school year is to raise \$75,000 by having 100% participation.

The structure of The Nest Fund makes giving easier for current and potential donors to support LCS.
